

(Dkt. #168). The Parties are to then file with the Court their selection of sample cases by Monday, May 8, 2017, and a status hearing is currently set before the Court on May 11, 2017. See id.; see also Minute Entry (Dkt. #162).

3. As Plaintiffs' counsel informed the Court at a March 28, 2017 status hearing, they anticipate that approximately fifty (50) additional bodily injury class action cases may be filed in the coming months. See Hr'g Tr. (Dkt. #163) at 12:11-14.

4. Since the March 28, 2017 hearing, the Parties have been conferring regarding the potential impact on the sample case selection process of any additional cases that may be filed in this litigation. The Parties continue to believe that four (4) sample cases will be sufficient to test the viability of the Single Sport / Single School cases through class certification. Plaintiffs' counsel, however, expect to file a substantial number of new cases in the next one to one-and-a-half months, and they believe that those new cases may impact the overall representativeness of the case pool from which sample cases will be selected. In light of the substantial number of new cases to be filed in the near future, the Parties agree that they would benefit from an extension of the sample case selection schedule.

5. Under the proposed revised schedule, Plaintiffs' counsel would have until Thursday, June 8, 2017 to file new cases that will be eligible for sample case selection. The Parties agree that contemporaneously with the filing of each new case and in order to expedite sample case selection, Plaintiffs' counsel shall (i) produce to Defendants signed Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and Family Educational Rights and Privacy Act ("FERPA") waivers authorizing the release of each new Plaintiff's records to Defendants, (ii) produce to Defendants phase one initial disclosures as set forth in the Case Management Schedule (Dkt. #91) and (iii) have requested any medical records relating to the injuries alleged in each new complaint not already produced with the phase one initial

disclosures, with any such additional records being produced no later than June 30, 2017. Any case filed on or after April 19, 2017 for which the above information is not provided in accordance with the foregoing will not be eligible for sample case selection.

6. Accordingly, the Parties respectfully request that the sample case selection schedule be modified as follows:

- a. Complaints to be filed by Thursday, June 8, 2017 in order for those cases to be eligible for sample case selection;
- b. Plaintiffs to select first sample case by Tuesday, September 5, 2017;
- c. Defendants to select second sample case by Thursday, September 7, 2017;
- d. Plaintiffs to select third sample case by Tuesday, September 12, 2017;
- e. Defendants to select fourth sample case by Friday, September 15, 2017;
- f. Parties to file their selection of sample cases with the Court by Friday, September 22, 2017; and
- g. Hearing before the Court on or after October 2, 2017.

WHEREFORE, the Parties respectfully request the extension of the existing schedule for sample case selection described above. The Parties further request whatever other relief the Court deems appropriate.
